17	Other investments	5.000
	TOTAL	746.400

The investments provided for the period 2018-2019 will be made in order of priority, according to their importance, their impact on improving product quality, the process flow and the good operation of the activity and taking into account the real financing possibilities from own or attracted sources.

The investment program pre-requisites are:

- Performance of an efficient activity;
- Maintenance and development of its own market for the sales of beer
- Achievement of the indicators provided by the Income and Expenditure Budget

b.) --- Approval of the limits for the medium-term credits necessary to finance the investment objectives to be made during the period 2018 - 2019 amounted to approximately 300.000 €

Given the investment program for the next 2 years (2018 – 2019) amounted to approximately 746.400 €, it is necessary to partially finance them by bank credits.

The Board of Directors proposes to the Extraordinary General Meeting of Shareholders the approval of a maximum limit amounted to 300.000 € or its equivalent in lei, representing 40% of the necessary resources for financing the investments.

The Board of Directors also proposes the Extraordinary General Meeting of Shareholders:

- c.) -- Approval of the pledge and mortgage of certain movable and immovable assets from the patrimony of the company in favour of the banks financing the investment objectives in order to guarantee the credits;**
- d.) -- Delegation of the Board of Directors to establish by resolution the financing bank, the negotiating of the credit terms and conditions, and also the individualization of assets for the guarantee of the investment credits.**
