Scope of the review

We have conducted the review of the Interim individual financial statements in accordance with the International Standard on Review Engagements 2410 "Review of interim financial information performed by the independent auditor of the entity". The review of the interim financial information consists of making inquiries especially on those responsible for financial and accounting matters, and for applying analytical procedures and other review procedures. The scope of a review is significantly lower than of an audit conducted in accordance with the International Standards on Auditing and consequently we cannot obtain the assurance that we are able to seize all significant issues that might be identified during an audit.
